baseless controversy: without getting out on any unstable limbs. In the meantime, there are many interesting features of this largest member of the rodent family.

He has wonderful fur that is combed and groomed with a so-called "louse comb" on his hind feet. The fur is so fine and dense that his skin never gets wet. He can close both his nose and ears to the entrance of water. Also, he can close his lips watertight and still cut and gnaw under the water. Cutting is done with incisor teeth which are long, curved and razor sharp. If one gets lost or broken he is doomed to starvation. The opposing incisor as result of lack of use and wear will continue to grow from the root and may even penetrate the opposite jaw. More than

## Universal Military Training Favored By Pocahontas Post

At the meeting of the Pocahontas Post No. 50, American Legion, held last Monday, June 11th, it was unanimously voted to support the Gurney-May Universal Training Bill—Senate 188; House bill 515, now before Congress.

This bill provides that all physically fit youth be required to undergo one year of peace-time training in the armed forces between their 18th and 22nd years, and thereafter be enrolled for six years as reservists. They are not, however, to be subject to call except upon war or other emergency declared by Congress. A boy of 17 may elect to take training at that age with the consent of his parents.

If a youth who completes his training follows it by one year of satisfactory volunteer service in the armed forces, he will be exempt from the six year reserve enrollment. He may also obtain the reserve exemption by serving in the National Guard or Naval Militia for two years or in an organized reserve unit for three years.

This bill is something that the Legion has fought hard for 25 years. It has the overwhelming endorsement of the men who are fighting this war and who know, all too well, how necessary it is to have adequate training. It is not a war measure but a peace program. Its opponents falsely label it conscription, but nothing could be further from the truth, because trainees could not be called up under a selective service system in the same way as all other men.

## Food Conferences Given In This District

Food handlers' conferences conducted in this district by the Department of Health of the local Health Department have already been held in Durbin, Marlinton and Springs. Two meetings for today at Lewisburg p. m., and two more conferences held at the same hour at East Rainelle.

West Virginia regulates the sanitation of food establishments provides for attendance of all food handlers at conferences wherever they are made available. Conferences will be held in the future and attendance necessary in order for renewal of license to qualify for renewal card.

These conferences are for the definite purpose of giving food handlers a fundamental knowledge of the basic rules of hygiene necessary for the protection of themselves and those with whom they come in contact. By the use of their respective establishments and oral instructions and handling methods will be discussed. A partial list of the subjects to be discussed are: Bacteria; how to prevent their spread in food establishments; fly, rat and insect control; food infection; handling and storage of food; and personal cleanliness.

The U. S. Public Health Service has 25 communicable diseases spread by careless food handlers.

## Bronze Star Awarded To Lieutenant (j. g.) Walter Jett Of The U. S. Naval Reserve

For distinguishing himself by heroic and meritorious service in the line of his profession while serving as machine gun control officer and recognition officer aboard a ship in the Southwest Pacific area during a period when his ship was subjected to many attacks by Japanese aircraft. Lt. (jg) Jett controlled the fire of his battery so skillfully that the enemy planes were either destroyed or driven off before they could inflict damage. By his own splendid example under the attack of enemy aircraft, he inspired the men of his battery to such a state of alertness that they were able to pick up, identify and take under fire, enemy planes which had escaped detection by other means. His courage and devotion to duty have distinguished him among those performing duties of the same character.

Awarded Bronze Star Medal  
For Heroic Action in France**

Under the provisions of AR 600-45, dated 22 September 1943, as amended, the Bronze Star Medal has been awarded to Private First Class (then Private) Jerry S. Gray, Company M, 291st Infantry, for heroic achievement in connection with military operations against the enemy on February 4, 1945, in France, it is announced by the War Department.

Private Gray volunteered to carry mortar ammunition on foot in the fighting in progress in the Colmar Pocket. He traversed a route over which the enemy had perfect observation and subjected to heavy fire from enemy mortars and self-propelled guns. During a barrage he was knocked to the ground from the concussion of a shell bursting nearby and several of the members of the carrying party could not continue because of wounds sustained from this bursting shell. Private Gray picked up the ammunition of his wounded comrades and continued upon his mission, making several trips to the ammunition DP.

Private First Class Gray is a resident of Cass, W. Va.

## WAR VETERAN KILLED BY TRAIN AT SEEBERT ON LAST SAT. EVENING

Lincoln E. Sprankle, aged 36 years,  
a World War Veteran, and a member  
of the CCC camp at Seebert, was in-  
stantly killed last Saturday afternoon  
when he was hit by the Chesapeake  
and Ohio passenger train enroute to  
Ronceverte.

Sprankle, it is said, was lying on  
the side of the railroad track when  
the train rounded a bend on a down-  
hill grade, striking the veteran on  
the side of the head and fracturing  
his skull.

Sprankle was taken on the train  
and delivered to the Seebert station,  
which was a short distance from the  
scene of the accident. Upon examina-  
tion of the body it was found that  
his skull was fractured in several  
places, several bones in his body were  
broken and one arm badly torn from  
being dragged along the tracks.

The body was brought to the Z. S.  
Smith undertaking parlor, where it  
was prepared for shipment to his home  
in East Palestine, O. Before shipment  
a military service was conducted by  
the veterans of the camp, after which  
the body was shipped to his home for  
burial.

## MARLINTON HIGH TAKES OPENER

The "Copperheads" of Marlinton high school were poison to Greenbrier Military School Reserves last Saturday afternoon on the local gridiron. The final score was 15-6 and thanks to several fumbles it was not 30-6. That was about the correct margin between the two teams. Coach Lord had his boys following the ball and tackling hard and Greenbrier never really made a threat at their goal line, the lone score was the result of a 40 yard pass which a Marlinton boy failed to play correctly.

The first downs were 11 for Marlinton to 4 for G. M. S.

# GRAND JURY RETURNS SEVERAL INDICTMENTS

Mr. The Pocahontas grand jury Tuesday afternoon returned three indictments against Clyde Sharp 19, of Elkins. Two of the charges are for murder in the first degree, one for killing his grandmother, Mrs. Clark Sharp, and the other for the killing of his uncle, William Sharp, at their home on Dry Fork, on the night of July 29. The third indictment is for stealing a horse.

Brown Wiley, local CCC enrollee, is charged with driving while under the influence of liquor in connection with the fatal crash which claimed the life of William Jarrett.

Reed Stewart, colored, of this city was indicted for forging a signature to a relief check.

The term of court opens Oct. 1.

I have before me a copy of the Journal dated August 18th, in which the estimate of the levy proposed to be laid by the county board of education is published. In this estimate I have found the following proposed expenditures to be raised by direct taxation levied on my property and my neighbor's property and every other man's property within this county for the following purposes:

John J. Cornwell received as his salary per year the four years he was Governor of West Virginia, and almost twice as much as the annual salary of the late Judge J. M. McWhorter, who presided over the Federal Circuit some years ago. The County Superintendent and his Assistant, whom the writer knows of no other duties for him to perform except to act as door keeper, receives themselves \$317.00 more money per year than M. P. Shawkey received per year as his salary the twelve years he was State Superintendent of Free Schools.

And mark you, Mr. Editor, the man who is struggling for bread and meat for himself and his family will help pay this item of \$5,637.00. There will be numerous cases in this County this fall, as there have been during the depression years, of the head of
